

UPCOMING RECYCLING, SPRING CLEANUPS and CELEBRATIONS:

* **THE GREAT AMERICAN CLEANUP OF PENNSYLVANIA - March 1 - May 31** – register your event at Keep Pennsylvania Beautiful - www.gacofpa.org or contact Michelle Dunn, Program Coordinator, mdunn@keeppabeautiful.org

- All registered events being held between March 1st through May 31st are eligible for FREE work gloves, safety vests, and trash bags (courtesy of PennDOT, PA DEP, and Glad Products Company) while supplies last.
- Members of the Pennsylvania Waste Industries Association and other landfill owners, along with the PA DEP, have graciously donated landfill space for trash collected during the cleanup. **Please note that reduced or free landfill space is available *only* between April 7th through April 30th.** Everyone who registers an event for the Great American Cleanup of PA will be given access to a list of services and supplies available in their area. As a reminder, there is no free tire disposal for the Great American Cleanup of PA. To properly dispose of your tires, the PA DEP website has a list of all permitted tire recyclers and processors.
- Plan for proper disposal of any electronics that are found.
- Community Cleanup Days events held for residents to clean out their households are not eligible for the free or reduced disposal through Pick It Up PA Days.

Please be careful, and be aware that the spring gobbler hunting season runs statewide from April 28th to May 31st and the youth spring gobbler day is April 21st.

* **SLIPPERY ROCK UNIVERSITY'S MACOSKEY CENTER EARTHFEST 2018 - April 21 - 12:00 PM to 8:00 PM** – For more information contact: Macoskey Center, macoskey.center@sru.edu , 724.738.4050. Throughout the day, this new and improved event will include exciting prospects for visitors of all ages including a silent auction, children's games and crafts, a petting zoo, horseback rides, sensory trail, DIY workshops, delicious sustainable food, live music, and a bonfire at dusk. *(From 12-4pm, the Kaleidoscope Children's Earth Day Celebration will take place and will be focused on children's and family eco-art activities similar to years previous. From 4-8pm, sustainability-focused activities for adults, families, and college students will be featured.)*

* **HAZARDOUS WASTE AND ELECTRONICS COLLECTIONS** – Saturdays - April 21, May 5, May 19 and June 16 – Call ECS&R at 1-866-815-0016 for more information and to register to attend; sponsored by the County of Butler with collection dates continuing throughout the year.
