It is unlawful for an owner of a dangerous dog to permit the dog to be outside the proper enclosure for such dog unless the dog is muzzled and restrained by a substantial chain or leash and under physical restraining of a responsible person. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration but shall prevent it from biting any person or animal or from destroying property with its teeth. Any dangerous dog wandering or running loose in or upon the Borough of Prospect shall be subject to restraint and confinement by any police officer or other authorized person acting on behalf of the Borough. It shall be the duty of any police officer or other authorized personnel acting on behalf of the Borough to take whatever action is necessary and proper pursuant to 3 P.S. §2-204. Confinement of Dangerous Dogs.

1. All dangerous dogs must be confined in a secured building or enclosure.

Said fence must be at least six feet high and constructed with a roof and shall also require approval by the Zoning Hearing Board of the Borough of Prospect.
3. All entrances to and exits from a property where a dangerous dog is confined must be posted with a warning sign, the size and type approved by the Zoning Officer.

(Ord. 97-1, 1/6/1997, §5)

§2-206. Shelters.

1. Dogs shall be provided access to shelter which protects them against inclement weather, keeps them dry and allows them to preserve a normal body temperature.
2. If dog houses with chains are used as shelters for dogs kept outside, the chains used shall contain a swivel or be attached to a swivel and shall be placed and attached so that they cannot become entangled with the chains of other dogs or another object. The chains shall be a type commonly used for the size and type of dog involved and shall be attached to the dog by means of a well-fitted buckle-type collar. The chains shall be at least three times the length of the dog as measured from the tip of its nose to the base of its tail, but no less than 10 feet in length and shall allow the dog convenient access to the dog house.

Any dangerous dog which bites and/or attacks a person for any reason may be destroyed at the owner's expense or permanently removed from the Borough of Prospect. The destruction of the dangerous dog shall only be under the circumstance upon which a compliance officer and/or authorized agent of the Borough in their discretion believes that the immediate or future destruction of the animal is the only alternative available to ward off the dangerous dog attack. Upon directive by a compliance officer or agent of the Borough, a licensee shall remove a dangerous dog from the Borough and have it destroyed. If said dangerous dog is not removed from the Borough or destroyed, it shall thereafter be subject to seizure and/or destruction by the Borough by its duly authorized agents.
